## EDUCATION

### KIET Group of Institutions

B.tech in Information Technology - **CGPA - 8.3**

Nov 2020 – Present

Muradnagar, Ghaziabad Uttar Pradesh

### New Standard Public School Raebareli

12th Boards - **Percentage - 77.8%**

april 2019 – June 2020

Raebareli , Uttar Pradesh

### B V M I C Gangaganj Raebareli

10th Boards - **Percentage - 89.3%**

June 2017 – Dec 2018

Raebareli , Uttar Pradesh

## COURSEWORK / SKILLS

- Machine Learning
- Natural Language Processing
- Web Development
- Data Structures & Algorithms

## PROJECTS

- Movie Recommender System** | Using Machine Learning and Natural Language Processing
  - A Web Base user-item Movie Recommendation system based on the underlying idea that is if two persons both liked certain common movies, then the movies that one person has liked that the other person has not yet watched can be recommended to him.
  - Library used-** Pandas, numpy, scikit learn, nltk.
  - Model deployment-** model is deployed using **streamlit library**
- Hate speech Analysis on Twitter Data** | Using Natural Language Processing
  - Project will classify tweets in three classes:
    - Hate Speech
    - Offensive Language
    - No Hate speech No offensive language .
  - Library used-** Pandas, numpy, scikit learn, matplotlib.
  - Model Deployment** - Model is deployed using **Streamlit Library** .
- Car Selling Price Prediction** | Using Machine Learning
  - Project will detect the selling price of a car.
  - Implemented through Random forest model.
  - Model Deployment** - Model is deployed through **Flask**

## SKILLS SUMMARY

**Languages:** C/C++, Python, HTML, CSS

**Developer Tools:** VS Code, Jupyter Notebook, Google Collab

**Frameworks/Libraries:** Flask, Streamlit, DialogFlow, Scikit, NLTK, Pandas, Numpy, Matplot

**Platforms:** Linux, Windows, AWS

## EXTRACURRICULAR

### Indian Institute of Management(IIM), Calcutta

*Participant*

- participated in the General quiz hosted by Indian Institute of Management (IIM), Calcutta of Online Quizzing Festival (OQF) Season 7
- Participation Certificate. [↗](#)

### DSDL club of KIET Group of Institutions

*Member*

- Participated in 15 days Machine Learning Bootcamp
- Participation Certificate. [↗](#)

## CERTIFICATIONS

- Python Basics for Data Science - IBM
- C Programming for Beginners - Master the C Language- Udemy
- Algorithms, Data Collection, and Starting to code- Coursera
- CPA: Programming Essential in C++- Cisco Networking Academy
